The Friends of Valley Falls, Inc. is a private non-profit 501(c)(3) organization. Organized in 1972, the purpose of the Friends is to take responsible ownership of Valley Falls Farm, and to promote the betterment of Valley Falls Park. We carry out this mission through careful stewardship of their historical and natural resources, and through outreach to the community.

About the Covers

“Many hands make light work.” This year we honor our amazing volunteers on the report covers. Every person in these photos was in the act of giving time of themselves to keep the hillsides and buildings of Valley Falls Farm as a place that the community can look to with pride.

The impressive list of tasks completed this year by these dedicated people ranged from installation of a curtain drain around the farmhouse, to repairing our beautiful stone walls, to greeting the public and serving as tour guides in our new Heritage Center (as seen in green T-shirts in the photos). We are ever grateful for the many hands and willing spirit of these wonderful volunteers who make things happen at Valley Falls Farm!
