

Preserving history and nature at **VALLEY FALLS**

The **Friends of Valley Falls, Inc** is a private, non-profit volunteer organization dedicated to preserving the history and natural beauty of Valley Falls Farm and Valley Falls Park. Founded in 1972, our group is made up of local residents committed to protecting this treasured landscape.

- Nestled on an eight-acre hillside at 345 Valley Falls Road, Valley Falls Farm is often called the most scenic place in Vernon. The property features an 1850 farmhouse and six unique outbuildings, each rich with history.
- Within this historic farm complex, we have established the Valley Falls Heritage Center, where visitors can explore exhibits filled with artifacts and historical information depicting life at Valley Falls in the early 1900s. The Center is now open to the public.
- Our mission extends beyond preservation—we actively write grants to enhance the park and sponsor educational programs such as guided nature walks focused on birds, wildflowers, and trees.
- We advocate for open space protection, support responsible land management, and provide expertise on pollinator plantings to attract birds, bees, and butterflies, contributing to a healthier ecosystem.

By supporting the Friends of Valley Falls, sponsors play a vital role in preserving this historic site, enriching the community, and protecting the environment for generations to come.

Our membership consists of families throughout the area, making this a great opportunity to connect with the community while supporting a cherished local treasure. As a 501(c)(3) tax-exempt organization, we appreciate your generosity and commitment to preserving Valley Falls. Thank you for your consideration!
